Life at D.H.S. Is Always Moving and Improving

This year, DeVilbiss students found changes in their school. Although the main building, erected in 1930, remained the same, a new gas heating system radically changed the powerhouse behind the school. This building, which has been a feature of orientation class tours, was windowless all summer as engineers redesigned the heating system, converting it from coal to gas. After the reconditioning, the equipment was painted according to a national code in a variety of brilliant colors.

Tads also arrived at school earlier this year. For the orchestra and ten first hour classes, school began at 7:30 a.m. The remainder of the students started at 8:30 a.m. Instead of a homeroom period, both second and third hours were 75 minutes. The earlier morning starting hour resulted in earlier lunch periods, which were especially welcome to the seniors. Seventh hour bells rang at 3:00 p.m. giving students more after-school time to participate in athletic events, club activities, and dramatic productions.

Youth Faces . . .

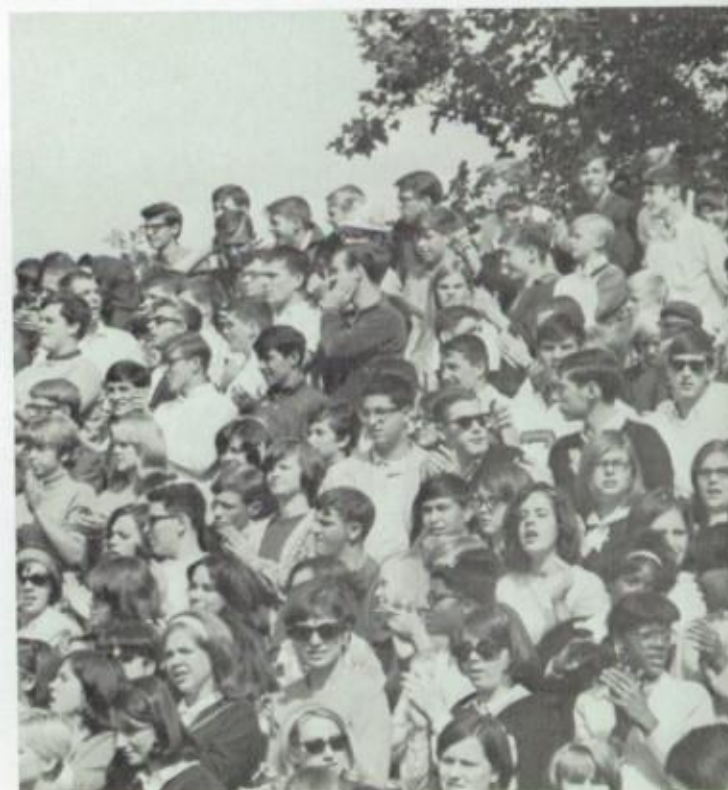

In the furnace of each person's ambitions, the experiences of youth are refined into the forces that shape the future of mankind. As young people encounter success and defeat, joy and sorrow, enthusiasm and apathy, the conflict of these experiences is mirrored in personal expression. The ability to deal with these conflicts is a measure of maturity.

As today's youth acknowledge a changing world, they are also altered. Each must construct a separate peace with his surroundings and seek his own truths. At De-Vilbiss, we have attempted to establish this peace, but have found we are only just beginning a long journey toward maturity.

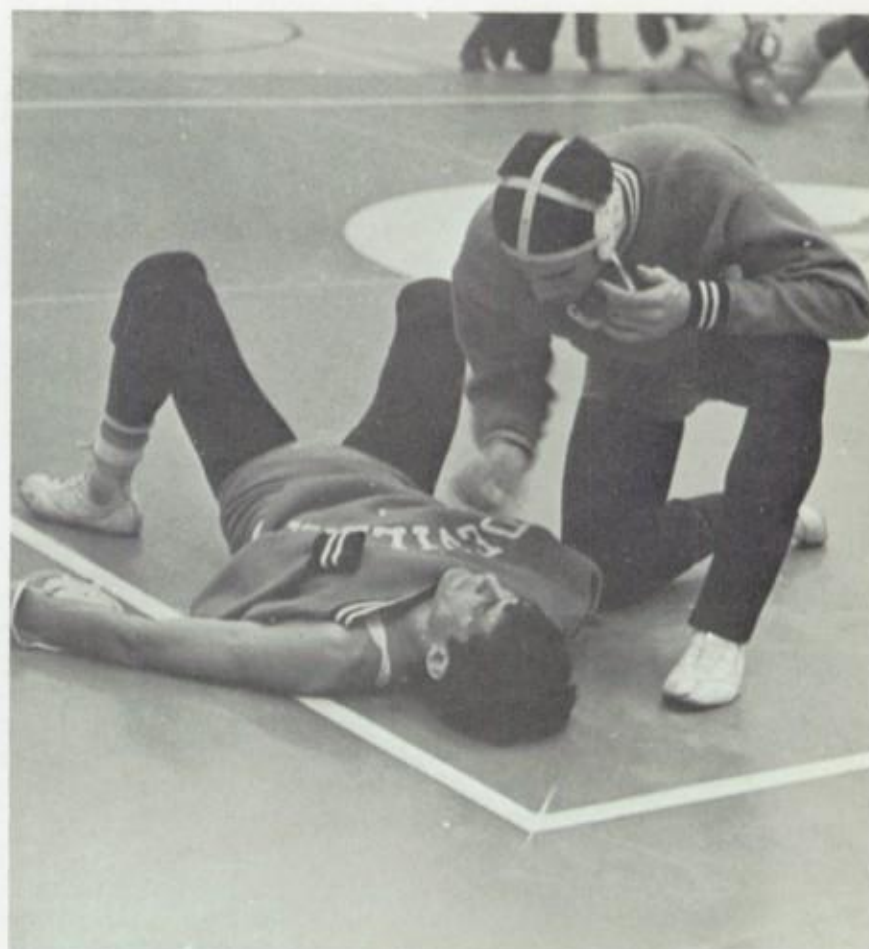

Tiger Spirit Roars at Championship Game

Instead of a Round Robin Football Premiere, city high schools participated in a Thanksgiving Day Championship Football game sponsored by the Old Newsboys' Goodfellows Association. In this first contest, the Tigers met the Knights of St. Francis in the University of Toledo Glass Bowl. Despite the gloomy predictions of sportswriters, the marching band and Tiger fans turned out en masse to cheer. Although the team did not win in the scoring column, the Tiger spirit remained unconquered.

The "Year of the Tiger" *Is Displayed in Athletics*

Over 200 Tads participated in all sports to make this year the "Year of the Tiger". Wrestling received new emphasis with "Wrestler of the Week" awards. The Cross Country team ran to its second District Crown.

Student interest in athletics soared. The athletic office sold over 1000 student tickets for the Central game. Two 3:30 p.m. Friday games made it easier for Tads to attend football games. The victory over Start in basketball gave the Tigers a boost in the West Toledo rivalry. Spirit groups filled the halls with banners, posters, and support tags, repeating the cheer "Go, Tigers!"

Tads Display Prize Talents

Tads found new ways of expressing themselves creatively. In the annual Interclub Christmas window competition, Equestriennes captured the "Little Brown Jug" with their "We Three Kings" stained glass window.

Art students finally had a place to display their talents in the new trophy case in the main hall. Through commercial art, watercolors, oil paintings, and sculpture, Tads cultivated an interest in art.

In dramatics, the junior and senior classes presented

their third fine musical with "How to Succeed in Business Without Really Trying". DeViltries gave many students an opportunity to perform in an excellent show based on vaudeville.

Musically, DeVilbiss students won prizes in state and local competition, in both individual and group performances. The choir began a fund-raising drive for a summer European tour.

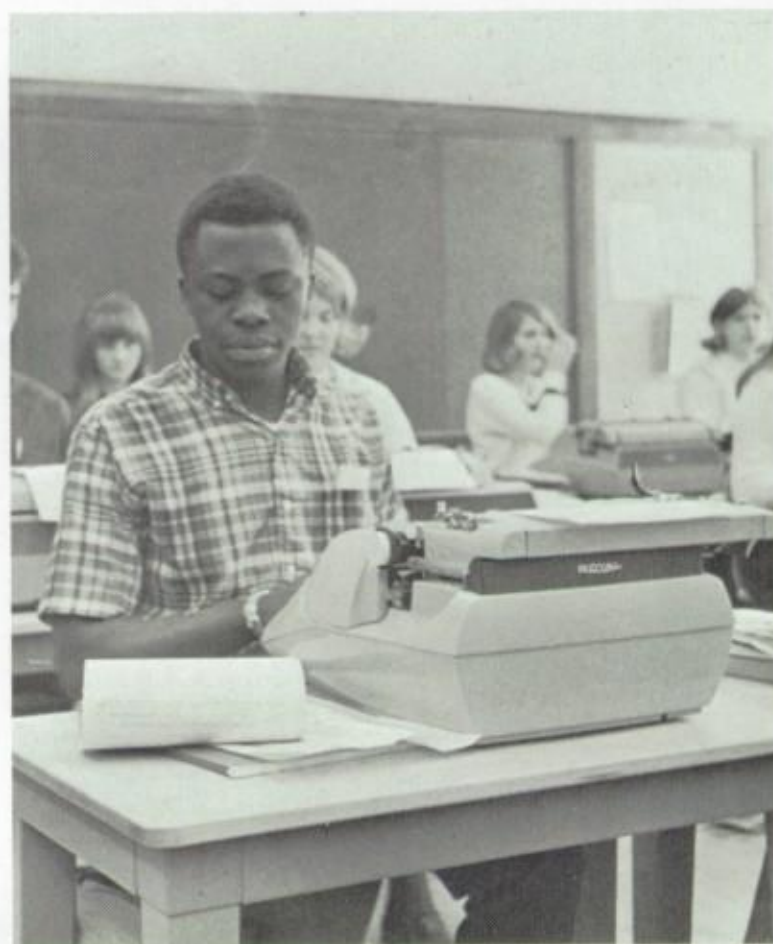

Deca, Sino-Soviet Center, A. F. S. Student, Add Variety to D. H. S.

Academically, students faced many innovations. Guided by a new principal, the DeVilbiss curriculum expanded to include a distributive education program and the first Sino-Soviet center in Toledo. Russian students held a banquet in November to widen their appreciation of Russian culture. The increased emphasis on vocational training fostered the formation of the DeVilbiss chapter of Distributive Education Clubs of America.

Davis Ssekasi, our smiling A. F. S. student from Uganda, gave Tads a closer look at the African nations. In the Tiger tradition, four seniors competed in the Area Student Council scholastic quiz bowl, defeating Woodward, McAuley, and Swanton in televised matches.

Tiger-in-the-Court, Homecoming Parade, a D. H. S. Graduate, Spark Spirit

Tads showed great enthusiasm for other school projects. A well-known 1963 graduate, Jim Detwiler, returned to speak encouragingly at a football assembly. For the annual Homecoming Parade, many clubs and other groups spent hours making floats and decorating cars. After more than a year of waiting, Tads finally saw the Tiger-in-the-Court.

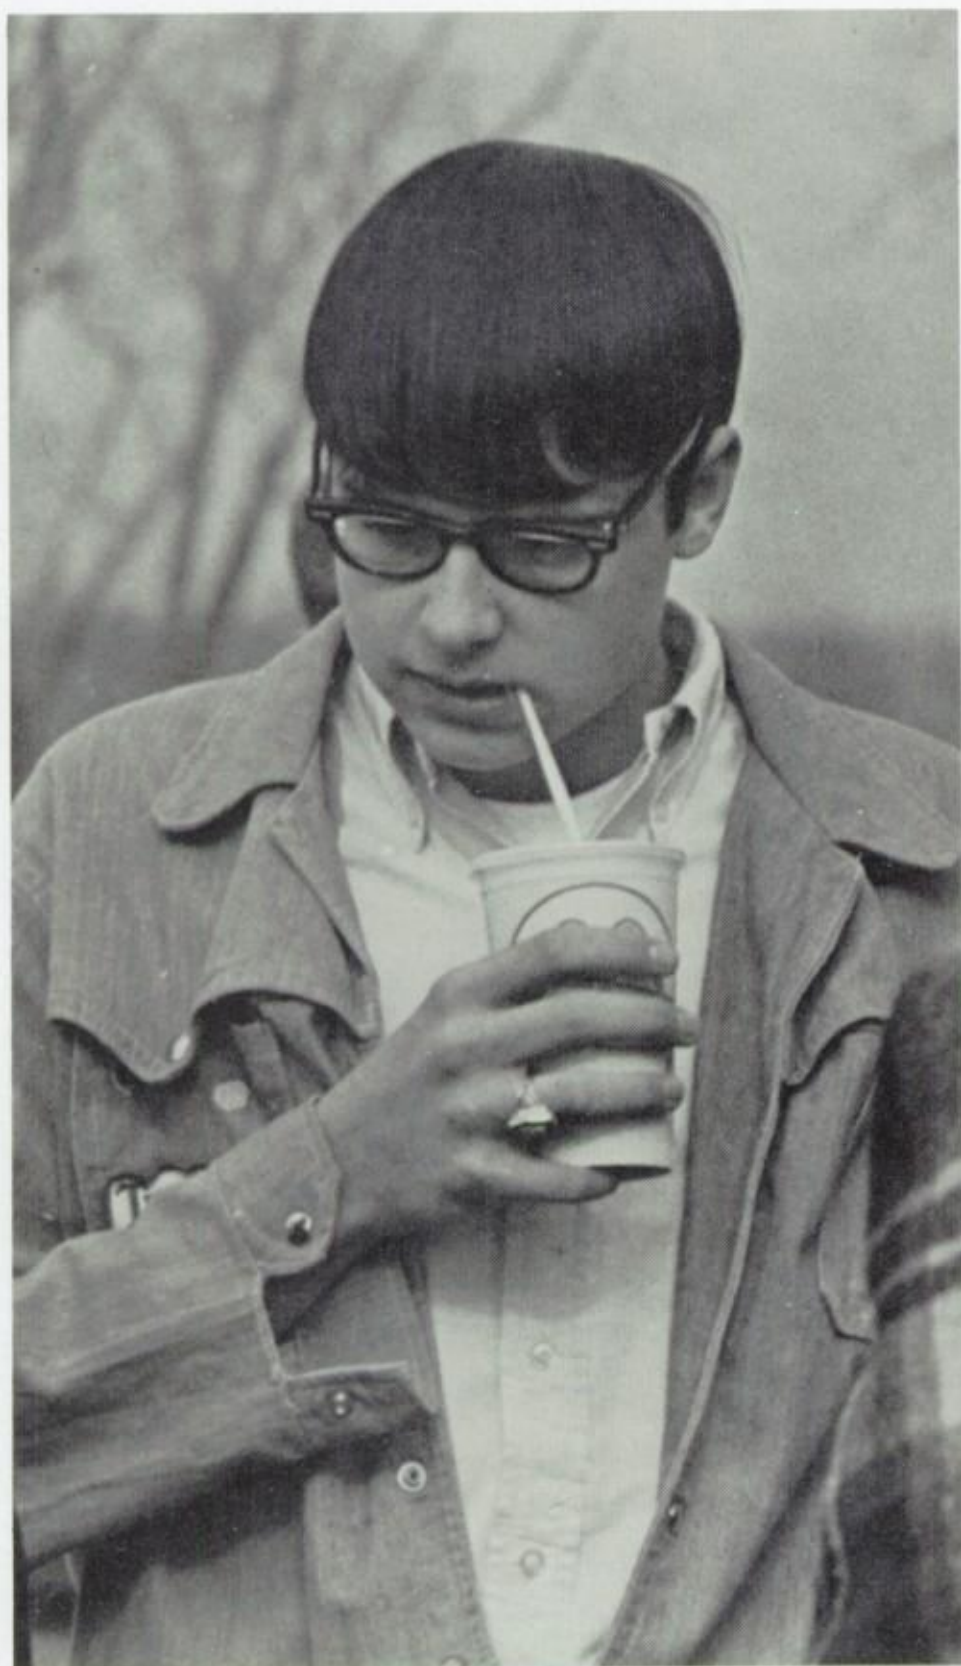

A Tad's Life Is Filled with Fun, Food, and Frolic

Tads have faced changes in classes, higher cafeteria prices, and a record snowfall with an indefatigable optimism, resiliency, and a sense of humor. At DeVilbiss, we have changed inside, also. We have matured, become individuals, and prepared ourselves for tomorrow.

ATHLETICS

Injuries stalled the Tiger attack and frustrated DeVilbiss' bid for the city championship.

In the first three games, the Tiger offense and defense complemented each other perfectly to crush Woodward, Central, and Waite in surprisingly easy wins. Dick Christel and Gary Greiner combined for three touchdowns against the helpless Woodward defense. Mike Denman, Paul Elinger, Ron Lada, and Dave Grana, along with Christel and Greiner, slashed the Central and Waite lines for eight touchdowns. A powerful defense, headed by Larry Krantz, Bob Fialkowski, and Tom Rerucha, held Woodward to only two first downs and Central to 45 yards rushing.

The victory over Waite proved costly to both the offensive and defensive units. Ron Lada, who had been the city's second leading scorer and who later earned a place on the All-City second team, broke his hand during the Waite game. Dave Grana, a defensive standout who had backed up Lada at right halfback, was sidelined for the rest of the season with a broken collarbone.

The loss of these fine backs hurt the Tigers in the next two weeks as they lost to the Rogers Rams, later crowned Great Lakes League co-champions, and tied a tough Macomber team. There was one highlight in the Rogers game—Bill Rowland's 65 yard punt return for the Tigers' only score.

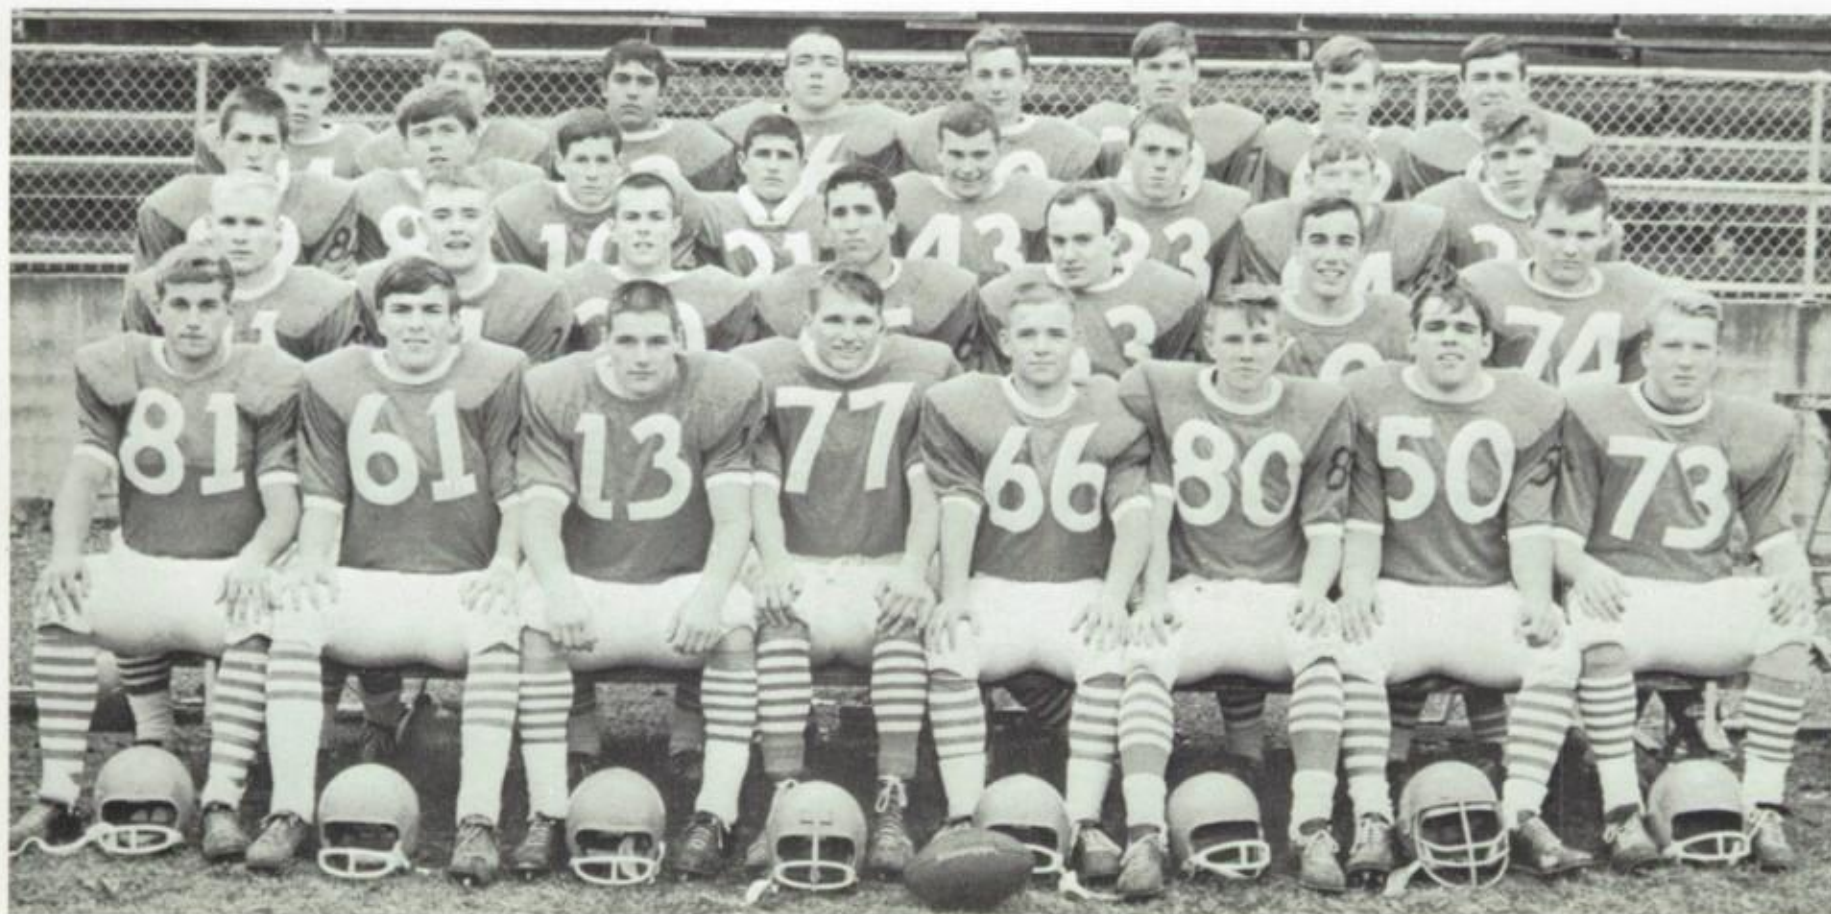

Head coach Wilbur Booth receives information from Tiger spotters.

The Tigers then succumbed to St. Francis but bounced back the next weekend to brighten the Homecoming festivities by rolling over Scott 18 to 0. Elinger and Lada ran for 200 yards and two touchdowns behind the blocking of Eliot Bergman, as Christel added a third score.

In the last regular league game, the Tigers, although they led Start in all other statistics, found themselves behind in the scoring column and in third place in the final standings. But the athletic board of control confirmed commissioner Hilton Murphy's decision that the contestants for the Thanksgiving Day game would be determined on the basis of six games. This pitted DeVilbiss against first place St. Francis.

The Tigers, sparked by the brilliant play of Larry Krantz and Ken Andryc, proved that they deserved the chance for the crown by routing state-ranked Garfield Heights, champions of the Greater Cleveland Conference.

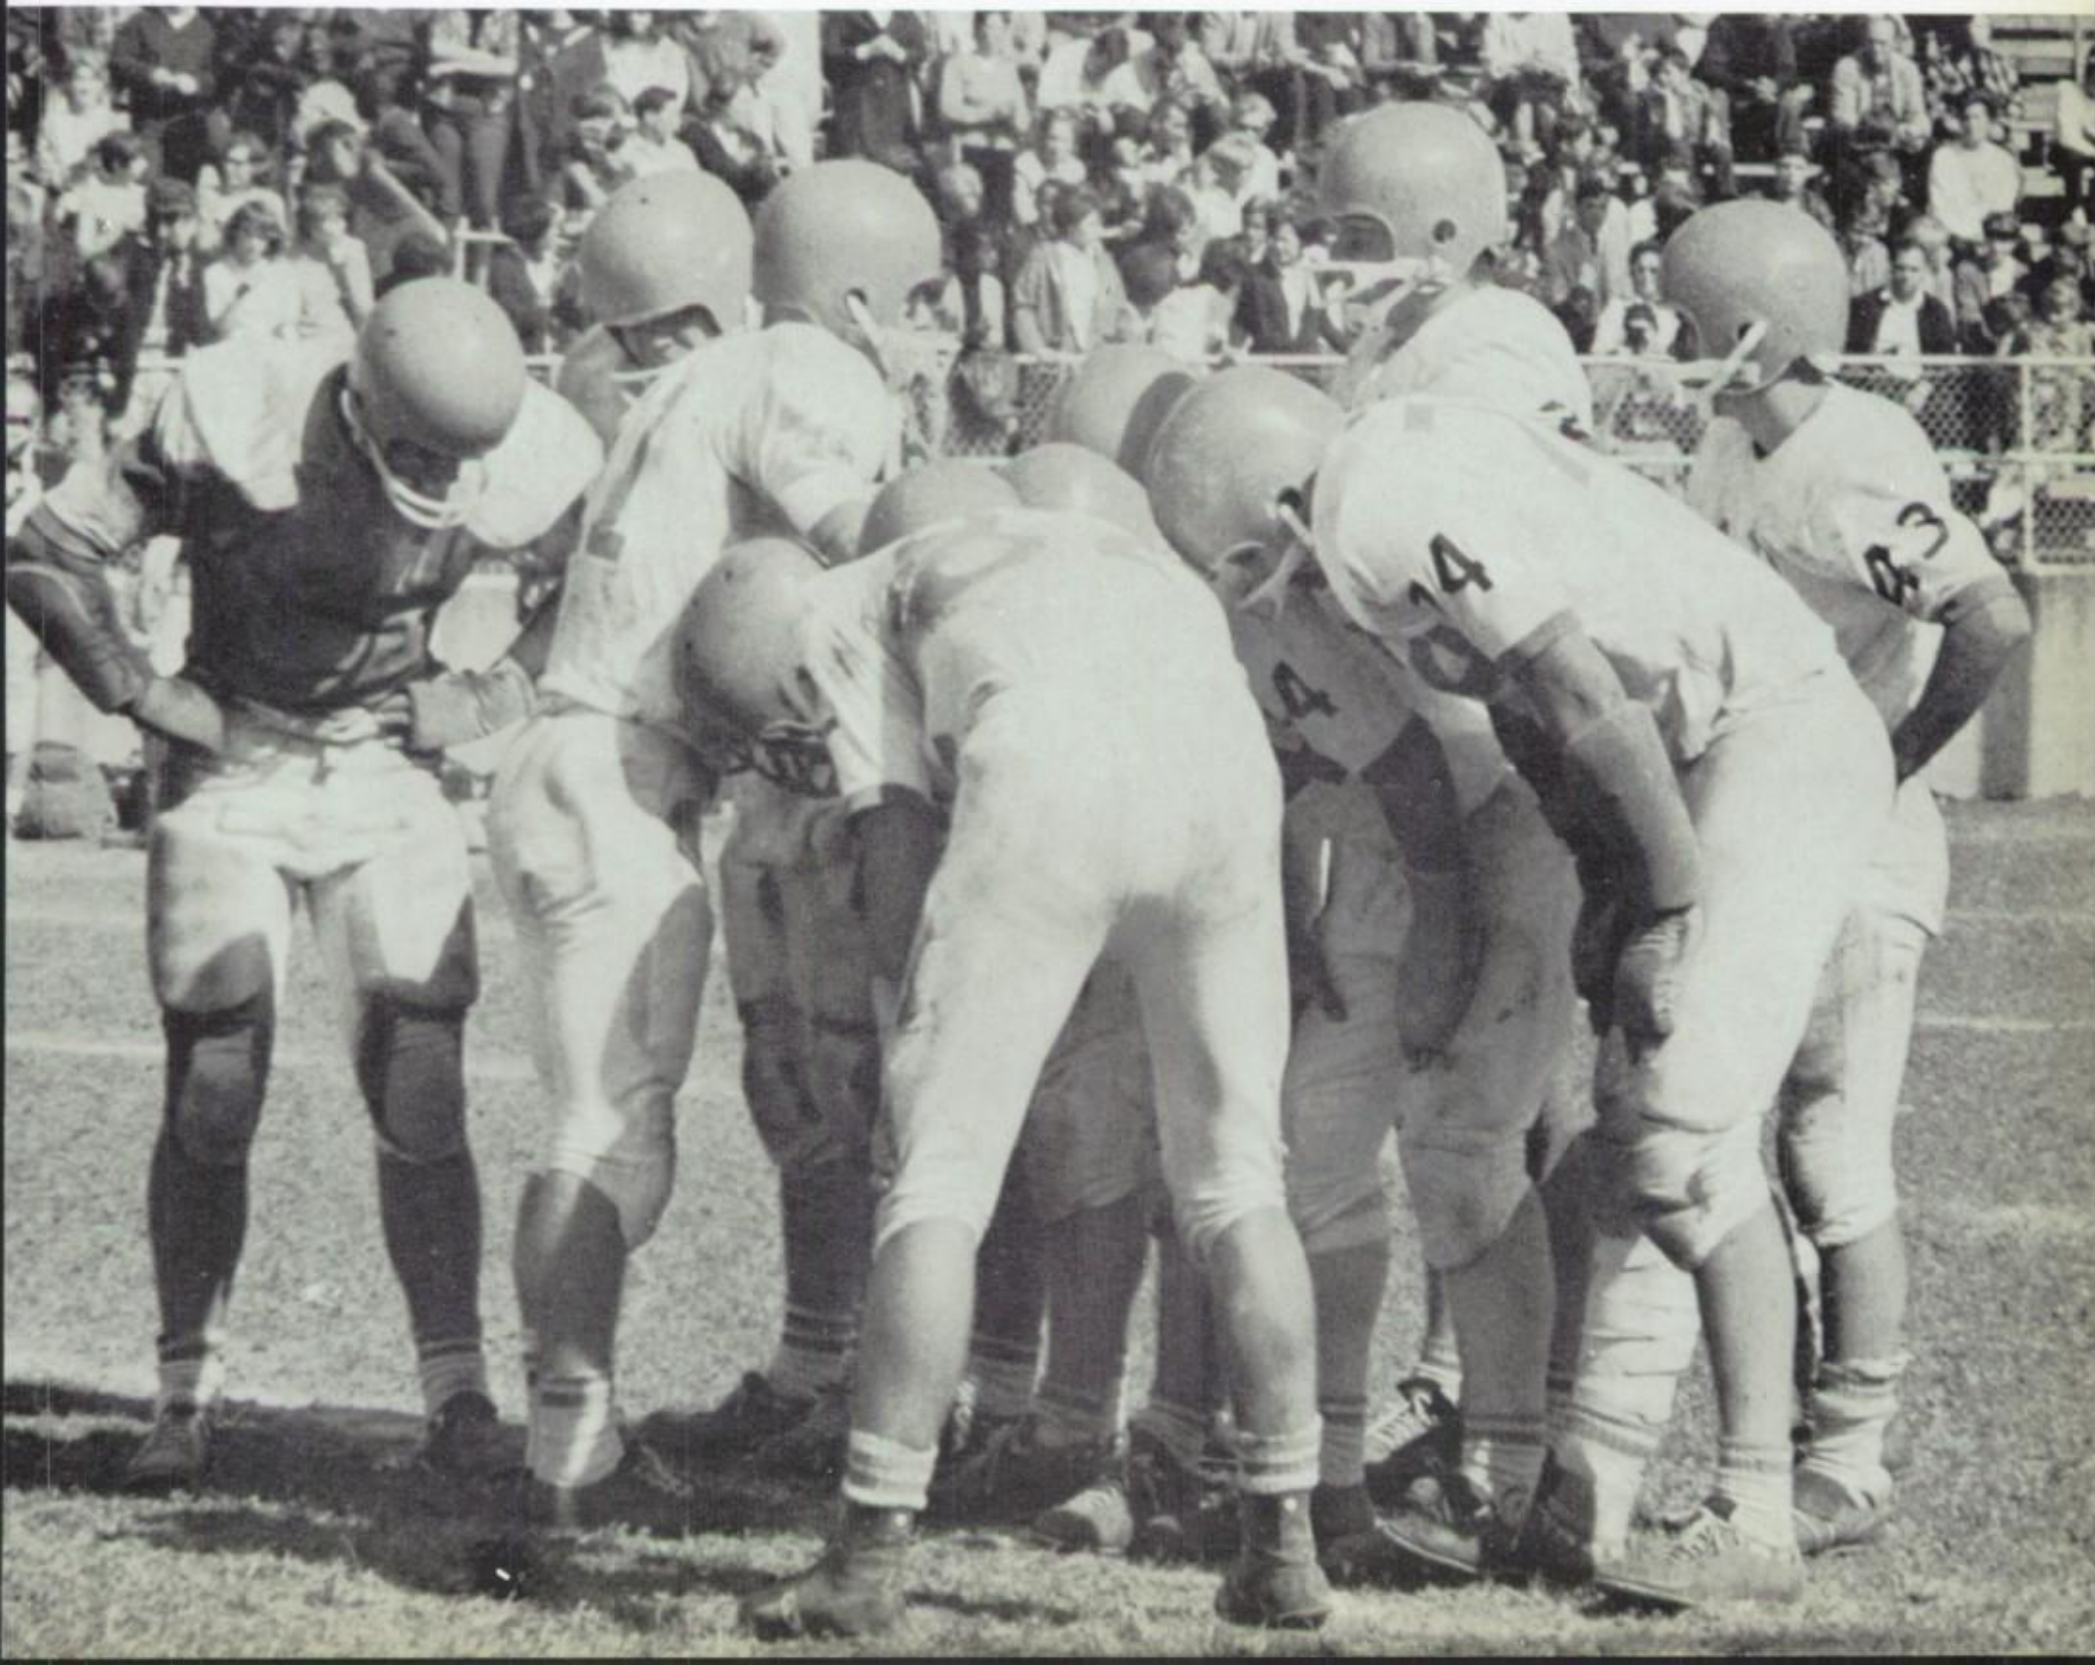

Although the Tigers were decisively beaten on Thanksgiving Day, the fine showing made by such junior players as Mike Hurt points to a fine season for next year's team.

Assistant coach Bill Bearss views a Tiger victory.

The 1966 Tiger cross country team continued the winning tradition of DeVilbiss as they once again proved to be the best team in the Toledo area district.

In regular league action, the Tigers extended their three year winning streak to nineteen as they ran away from their nine city opponents in six straight meets. Seven of these teams were shut out by the balanced DeVilbiss varsity, co-captained by Jim Both and Larry Armstrong.

Although an upset win by Libbey in the city championship meet ended DeVilbiss' two year hold on the city crown, the Tigers successfully defended their district crown, despite the loss of number one runner Jim Both. DeVilbiss' balance and depth were never better shown than in the district meet, as Logan Talks finished third and Larry Armstrong, Bob Breno, and Mickey Marok captured sixth, seventh, and eighth places.

Slush and snow in Columbus and an ankle injury to Armstrong crushed the Tigers' hopes for first place and the state championship, but the DeVilbiss runners battled to an eleventh place finish in the state meet.

Next year's varsity, to be captained by Logan Talks, promises to carry on the Tiger winning tradition and have another successful cross-country season.

Fine performances by Mickey Marok, Bob Breno, and Larry Armstrong helped the Tigers to defend their district crown.

Tigers Thwarted

The return of four lettermen to this year's varsity brought high hopes for a winning season, but continual foul trouble and close scores discouraged DeVilbiss in several games.

The Tigers started off the season with an overtime loss to St. Francis before a capacity crowd in the DeVilbiss gym. Four Tigers fouled out before the end of the regulation time, and Coach Kahler was forced to go to the bench for the overtime period.

DeVilbiss then travelled to Dayton, where they stopped Stivers 66-61, as Larry Lincoln led all scorers with 23 points. In the third game of the season, the superior height and speed of the Libbey Cowboys, runners-up in the state tournament last year, led to a 53-74 loss for DeVilbiss.

But the Tigers bounced back next weekend with their best effort of the season as they trounced Start 79-64. All five starters scored in double figures, with Larry Lincoln topping the list with 22 points. The Tigers followed up this big win with a 70-56 victory over Bowsher, as Lincoln and Chuck Mostov combined for 30 points.

DeVilbiss added its third straight win as they handed Bryan a 72-45 loss in a non-league game. DeVilbiss' fast break destroyed the visitors' defense as the Tigers jumped to a 19-1 lead in the first quarter. The entire squad saw action in this easy victory.

Poor shooting resulted in a loss to Macomber during the Christmas vacation. After leading at the half, the Tigers sank only two field goals for the rest of the game. DeVilbiss also dropped a 55-66 decision to Sylvania during the holidays.

In Several Close Games

DeVilbiss started off the new year with a 72-69 overtime win over Scott. Tom Rerucha was the hero of the victory over Upper Sandusky as he sank the free throw which sent the game into overtime and grabbed 19 rebounds, tying the school record set by 1965 graduate Dave McClellan.

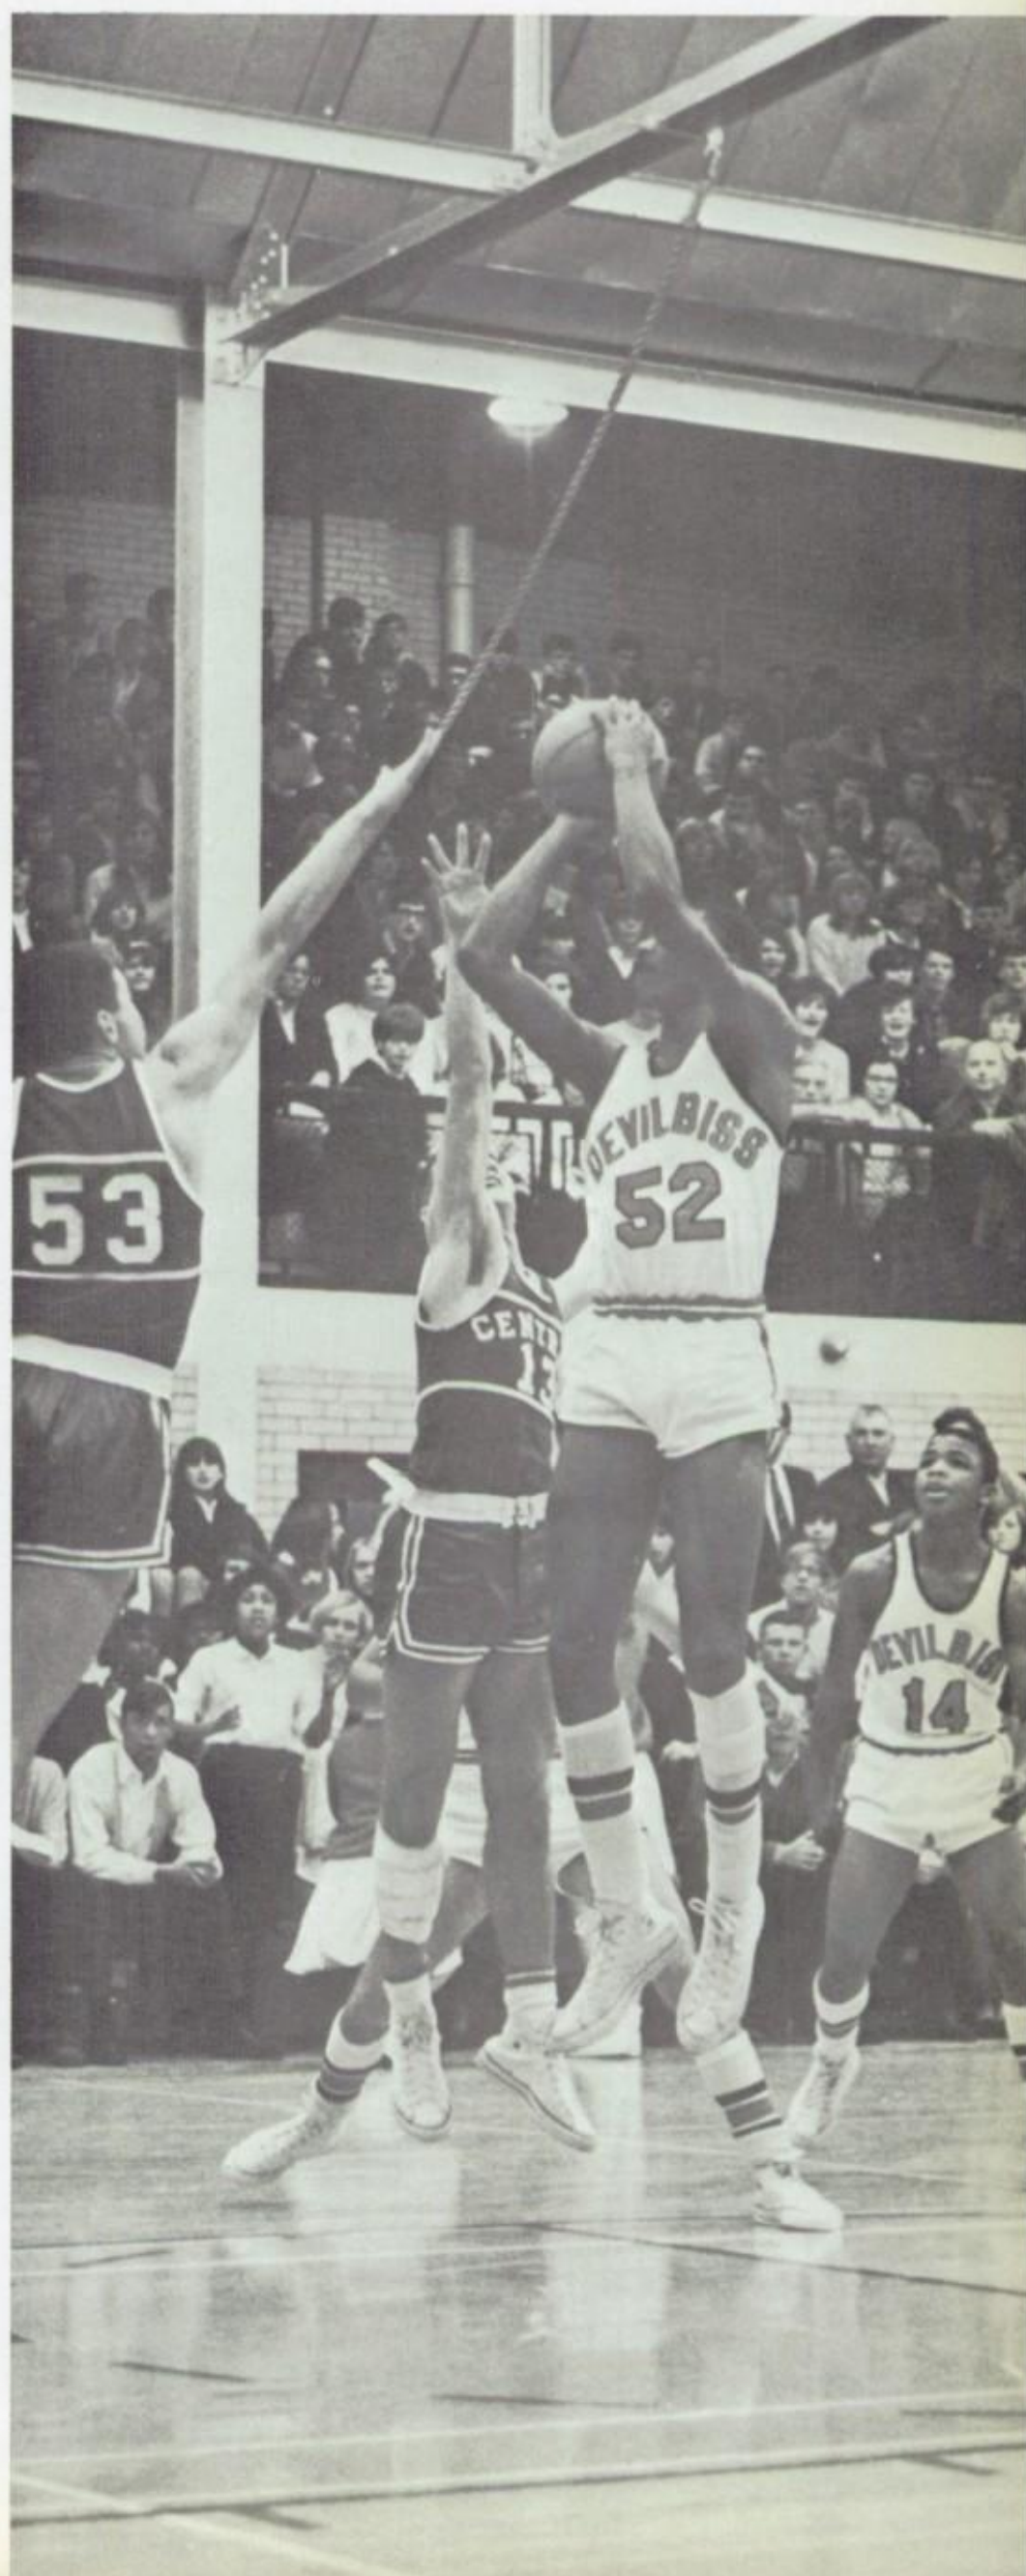

Woodward edged DeVilbiss in the next league game as Larry Lincoln, Dallas Bumgarner, and Herman Lincoln were forced to sit out most of the last quarter because of foul trouble. The Tigers then dropped three games in the closing minutes to Central, Waite, and Start.

DeVilbiss then dumped Tiffin Calvert 71-61 for its fourth non-league victory as Larry Lincoln controlled the boards and set a new school record of 20 rebounds. He also led all scorers with 24 points. Chuck Mostov scored his season's high with 19 points.

Against St. Francis, Larry Lincoln poured in 30 points, his season's high, but the Knights handed the Tigers their fifth straight league loss, 65-52. Libbey's Cowboys, eyeing the state crown, broke loose with a 115-53 victory over the outmanned Tigers. Foul trouble once again kept Larry Lincoln on the bench as DeVilbiss finished in eighth place in the city league with a loss to Bowsher.

In the tournament, DeVilbiss was edged by St. Francis when a controversial call enabled the Knights to sink the winning foul shots in the last six seconds of the game.

Although the Tigers lose the services of six seniors, next year's varsity, aided by the return of Herman Lincoln and varsity newcomers Ed Greunke and Theron Murray, can look forward to a successful season.

The Tiger wrestling team, with eight juniors on the varsity, suffered a disappointing season.

DeVilbiss opened the season by setting a school record when seven Tigers pinned their opponents in a 43-7 victory over Libbey. Jim Bolander, George Zollinger, captain Bob Keesey, Paul Cannon, Lee Scharlow, John Crayne, and Steve Hardy achieved pins in this easy victory. Jeff Lake and Eliot Bergman won decisions, Louis Levinson drew, and Tom Dugan, troubled by a back injury, was the only Tiger to lose.

Despite this quick initial victory and subsequent wins over Woodward, Waite, and Start, the Tigers lost matches to St. Francis, Macomber, Scott, Whitmer, and Bowsher.

Outstanding individual records were compiled by Bob Keesey, 12-0-0; Steve Hardy, 10-2-1; and George Zollinger, 8-3-1. The eight underclassmen gained experience as varsity wrestlers and will return to form a well balanced and successful team next year.

Andy Neese is given encouragement by Coach Bob English and Captain Bob Keesey.

Strive For City Championships

The 1967 DeVilbiss spring sports teams look forward to outstanding seasons.

With six returning lettermen, the golf team, coached by Mr. Karl Huls, has a good chance to capture the city championship and regain DeVilbiss supremacy in this spring sport. Led by co-captains Eric Lubov and Sam Szozda, the Tiger golfers have been practicing on the Ottawa Park course since early last fall to sharpen their skills for the spring season.

All-city selections Ken Andryc and Dan Kirk lead the 1967 tennis team into the spring season. Three other lettermen, Greg Warren, Dave Zucker, and Fred Lang, along with Dick Hinds, provide good depth for the Tiger tennis team. Coach Tom Temple's squad is further bolstered by the arrival of sophomore Craig Burkhardt. Burkhardt, a transfer student from Ottawa Hills, is one of the finest players to come out of the Toledo area. He has won several major tournaments in this area. With the aid of Burkhardt and experience gained from winter and early spring practices, captain Ken Andryc is confident that this year's team can capture the city championship.

Coach Phil Kahler feels that this year's baseball team will be successful in its quest for the city championship. Pitchers and catchers have been working in the gym since early spring to get in shape for the 1967 season.

Eight lettermen will return from last year's squad to form the nucleus of a well-balanced varsity. First team all-city selection Ron Lada and Chris Schaefer return to bring depth to the outfield. Senior Tom Rerucha at third base, junior Mike Hurt at second base, and junior Dave Grana at shortstop form an experienced infield. Pitchers Tom Smolinski and Darrell Murphy return with catcher Bob Langlois as successful batterymates. Junior Terry Borek is also expected to aid the Tigers' efforts.

Several members of last year's freshman squad will be battling for positions on this year's varsity. Chris Kaiser, Greg Gaynor, Steve Lintner, Rusty Ballmer, Doug Kennedy, Jeff Aubry, Rick Kimble, and Tim Stoner are hopeful to make the starting nine. Candidates for this year's freshman squad tried out on May 2.

DeVilbiss will open the season with games against Scott, Sylvania, and Start.

Ron Lada was chosen an all-city first team outfielder last spring.

Guard Eliot Bergman and tackle Bob Fialkowski were selected for the football all-city first team.

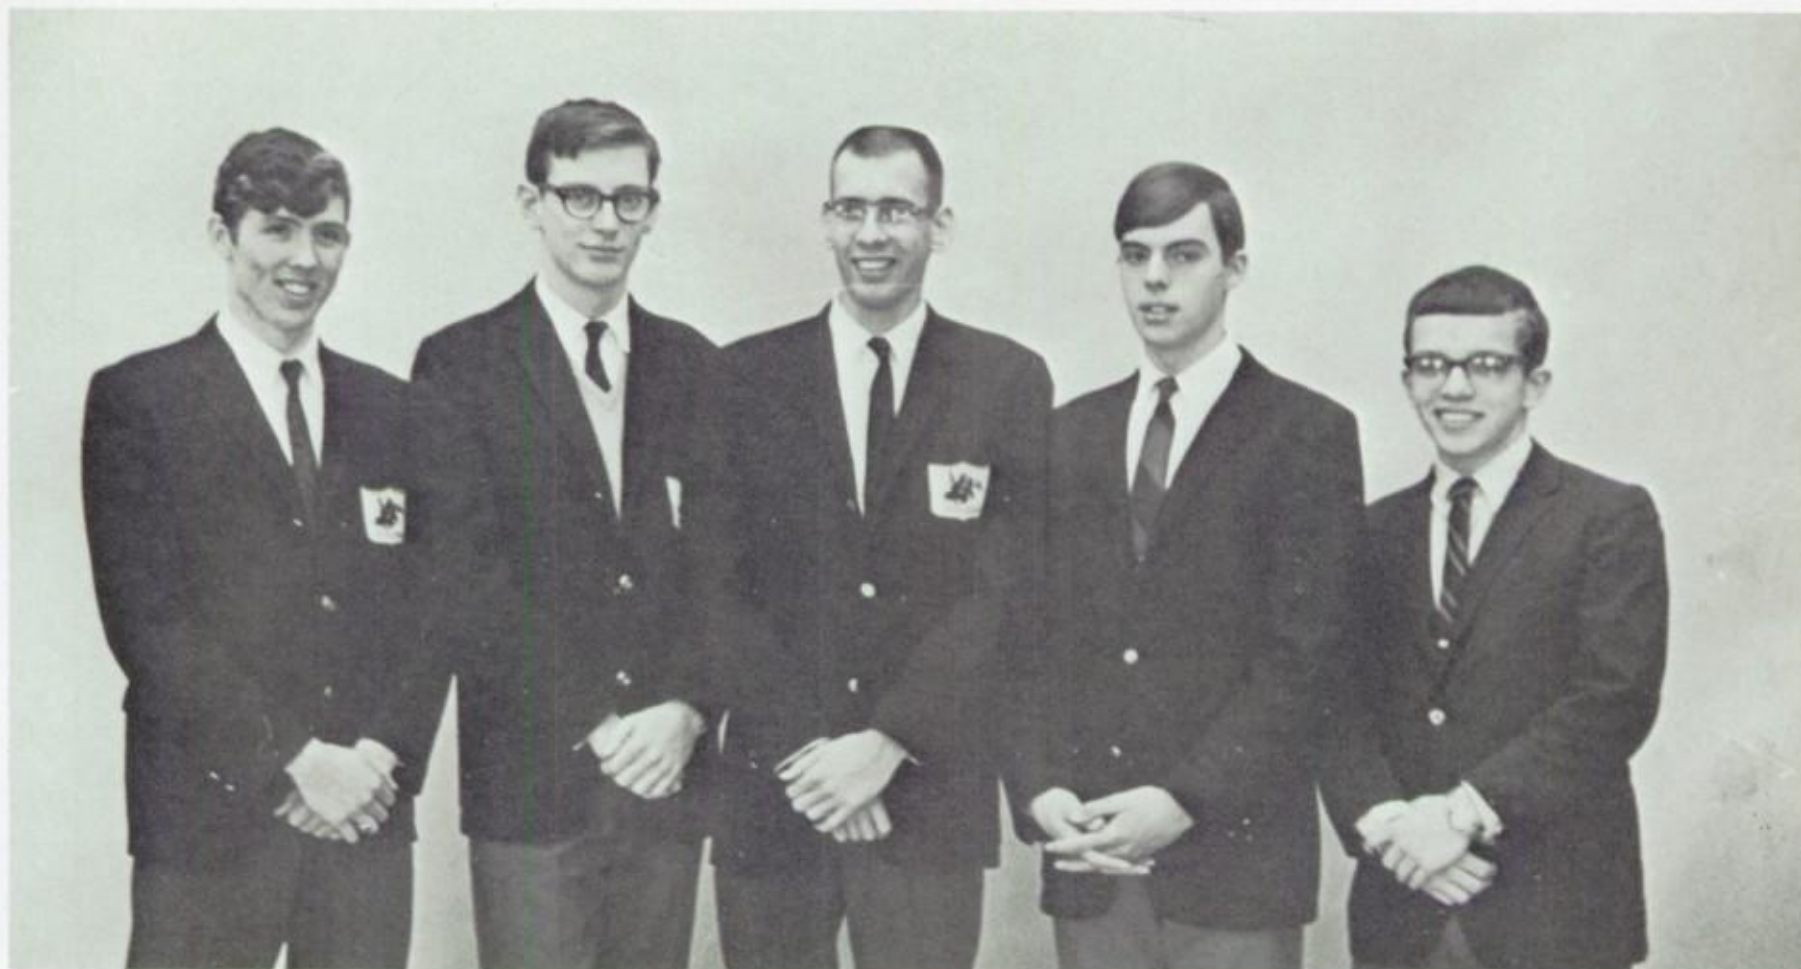

Ten Tiger Athletes

Ten DeVilbiss athletes were honored as members of all-city first teams.

Five Tigers were first team selections from last year's spring sports. In track, quarter-miler Mickey Marok was a member of DeVilbiss' championship mile relay team. Jim Both was the city and district champion in the two mile run. In baseball, Ron Lada was an all-city outfielder. Ken Andryc and Dan Kirk were selected for the all-city tennis team.

In the fall, two outstanding DeVilbiss linemen were chosen for the football all-city first team. Eliot Bergman was selected at guard and Bob Fialkowski was selected at tackle. Quarterback Dick Christel, fullback Paul Elinger, and defensive end Larry Krantz were awarded honorable mention. Ken Andryc was also a member of the all-academic team.

Three members of the Tiger cross country team, runners-up in the city and district champions, earned berths on the all-city first team. Co-captains Jim Both and Larry Armstrong, who captured second and fourth places in the city meet, and next year's captain Logan Talks, sixth place in the city, were first team selections. Bob Breno, ninth in the city, and Mickey Marok, tenth in the city, were chosen for the all-city second team.

Earn All-City Honors

DeVilbiss center Larry Lincoln, the third leading scorer in the city league, was a second team all-city selection in basketball. Senior forward Chuck Mostov earned a berth on the city league's all-academic team. The Tiger freshman team, coached by Mr. Richard Martin, captured the city championship while compiling the best freshman record ever at DeVilbiss.

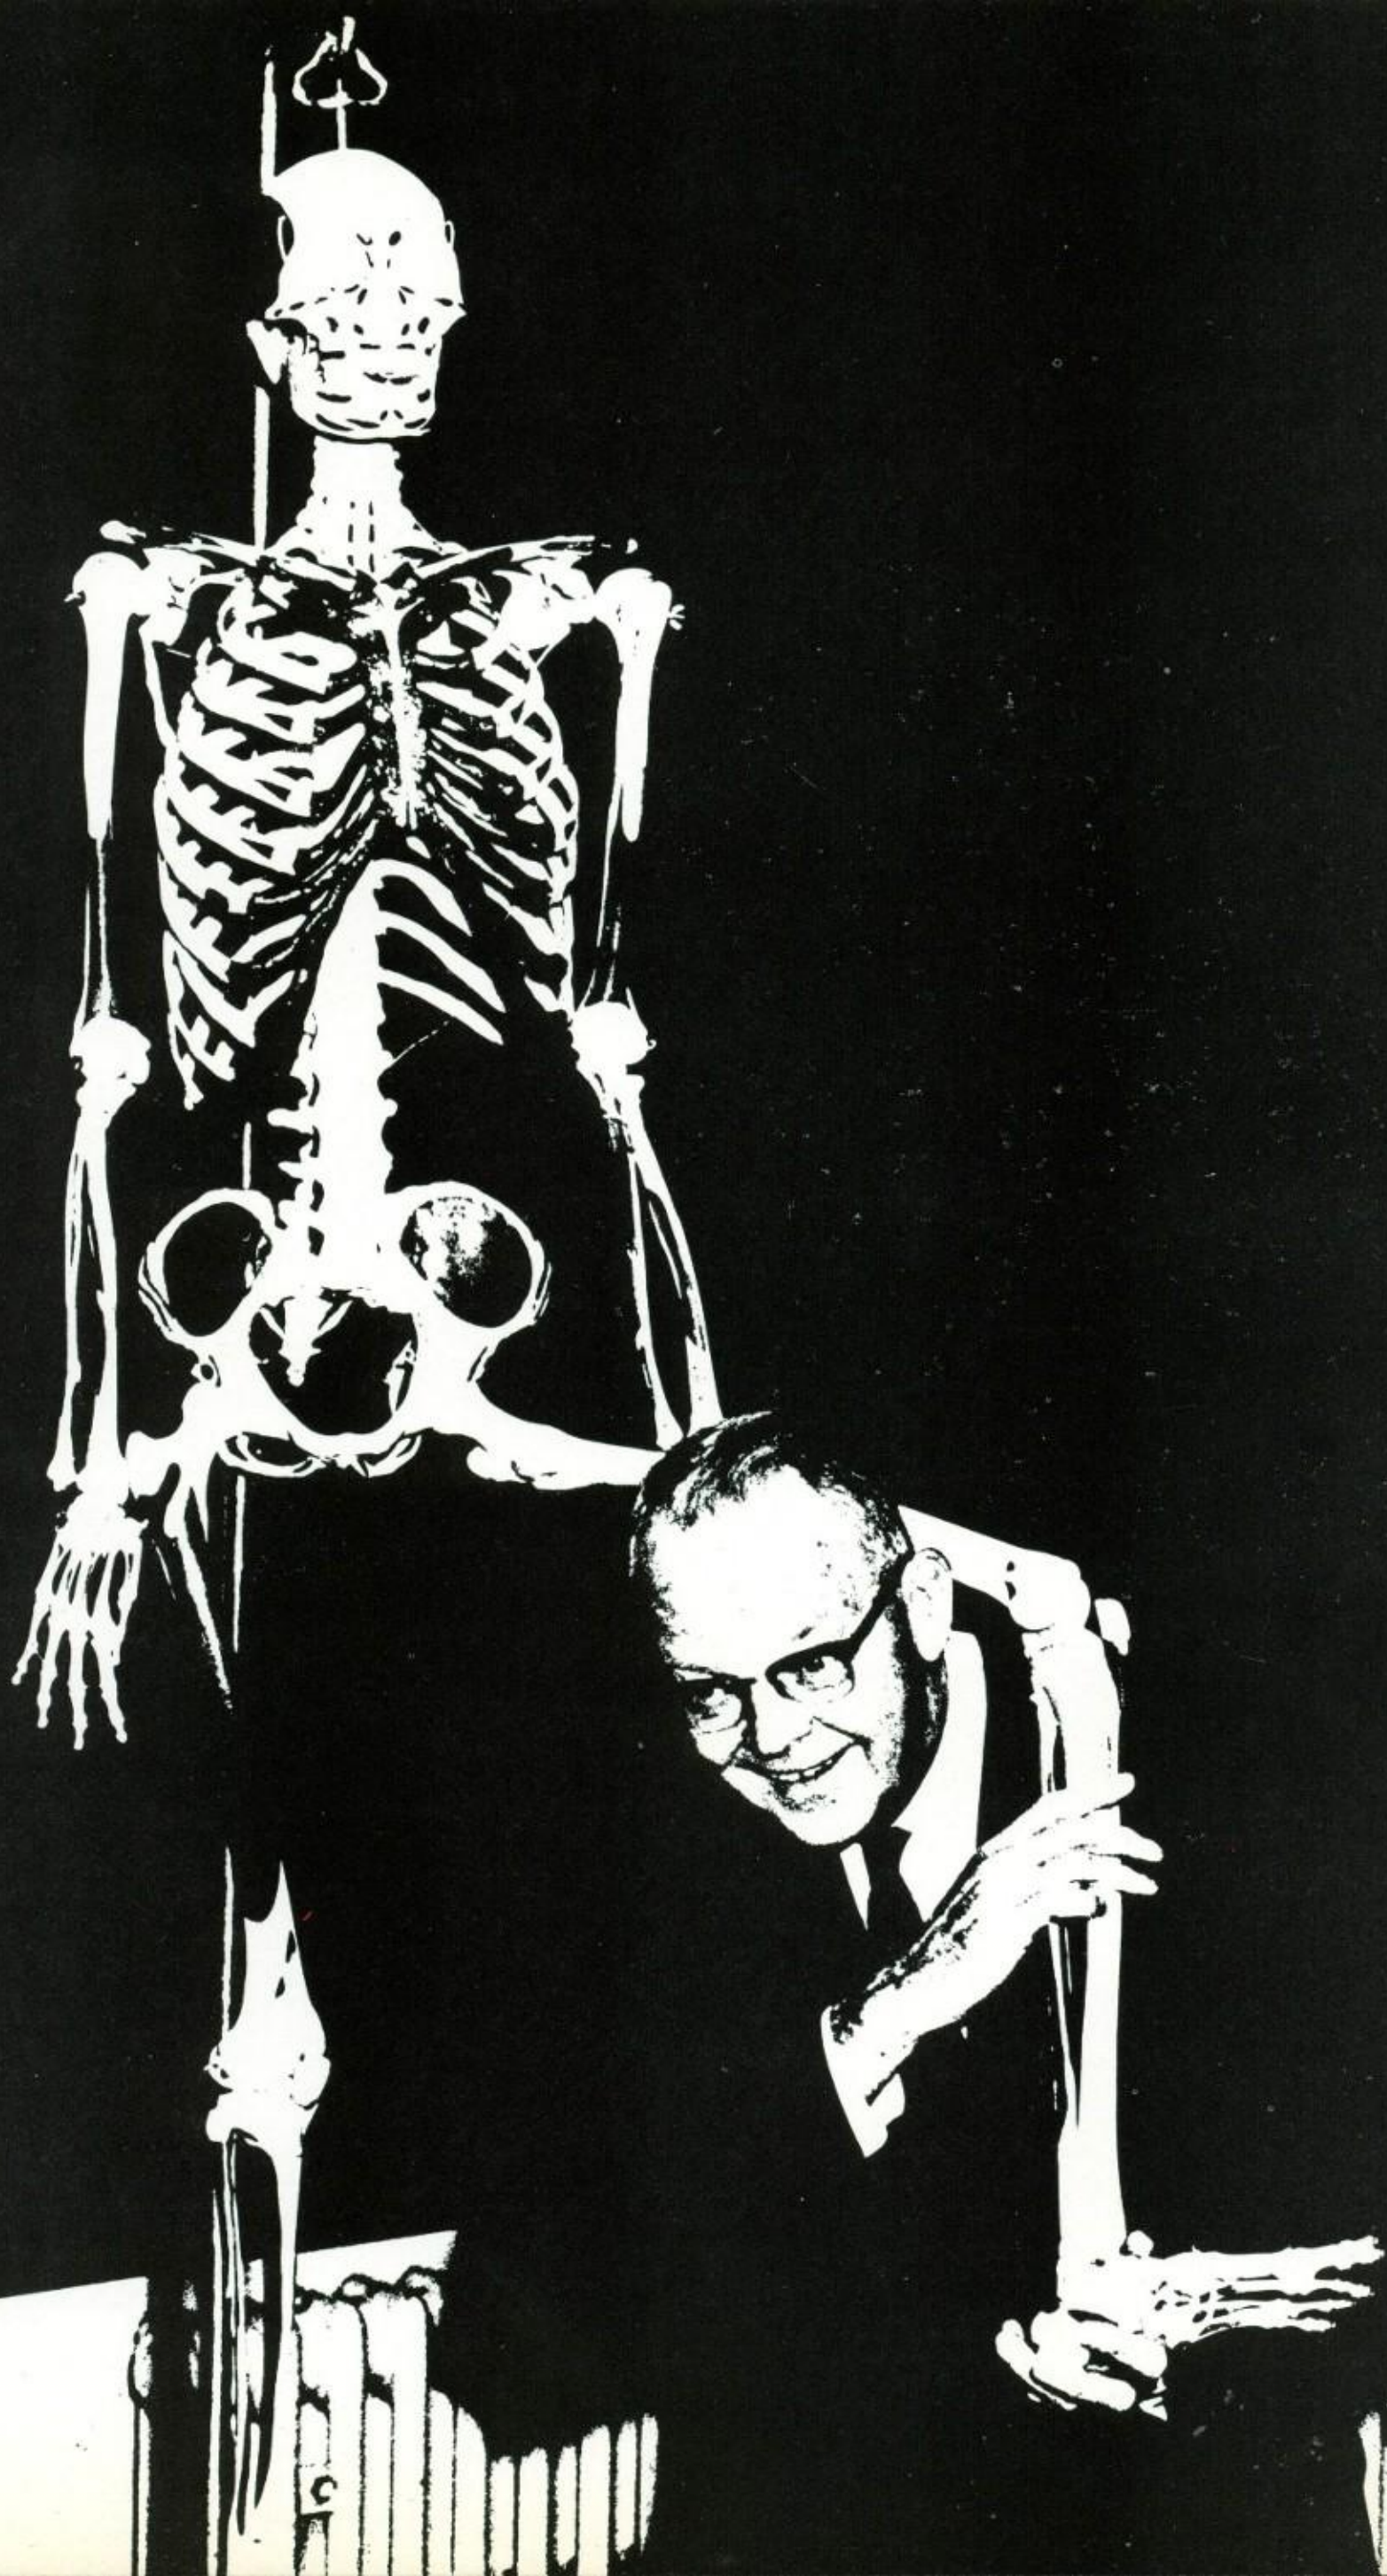

Senior team captain Bob Keesey was the city league's leading wrestler in the 120-pound class. He posted an excellent record of twelve wins, no losses, and no ties. Heavyweight Steve Hardy and 112-pounder George Zollinger, who will both return next year, also had successful seasons.

Five of last year's graduates were also honored as members of all-city teams from spring sports. Half-miler Dale Whitmore was the city and district champion, placed third in the state meet, and anchored the championship mile relay team. Quarter-milers Sam Phillis and Ross Patton, along with Whitmore and Marok, also ran legs on DeVilbiss' outstanding mile relay team. High jumper Dave Frahn was a second team all-city selection. Steve Guthrie was a first team all-city doubles selection in tennis. Jeff Ballmer, Terry Burns, and John Henrion were selected as members of the all-city third team in baseball.

The Board Continuously Makes Improvements

Each year improvements are made by the Toledo Board of Education to provide more pleasant surroundings for all those who take part in school activities. During the past summer, brightly colored gas furnaces were

installed to replace the coal units in the power house. New floors and a scoreboard were placed in the gyms. When the *Pot O' Gold* moved to a new room, it was furnished with a darkroom.

My First Impressions of DeVilbiss

As I drove down Upton Avenue past DeVilbiss for the first time since becoming principal, I saw the school in a new light. Here was the most beautiful school anywhere.

I discovered that it was more than just a building. When standing in the halls and watching the students and faculty, I saw the friendliness that to me characterized DeVilbiss.

The fiery enthusiasm for the football team and magazine drive showed an old-fashioned school spirit that was thrilling and inspiring. It was a pleasure to announce that over one thousand tickets to the Central game had been purchased.

May all of you be as proud to be a part of DeVilbiss High School as I am to serve as your principal.

John W. Campbell
1926-1967

*We never know how high we are
Till we are called to rise.
And then, if we are true to plan
Our statures touch the skies.*
—Emily Dickinson

As years go, Mr. John Campbell spent a relatively short time in DeVilbiss High School. Measured in service and influence, his work as teacher, leader, adviser, and friend placed him in the forefront by peers and students alike.

To the classroom as a teacher of English and Chinese, to the clubs and classes he advised, to the groups of which he was a part, he brought a contagious enthusiasm and a

wholesome earnestness. It was vision and faith in the potentialities of the future that spurred Mr. Campbell to start Chinese classes at DeVilbiss, a pioneering effort.

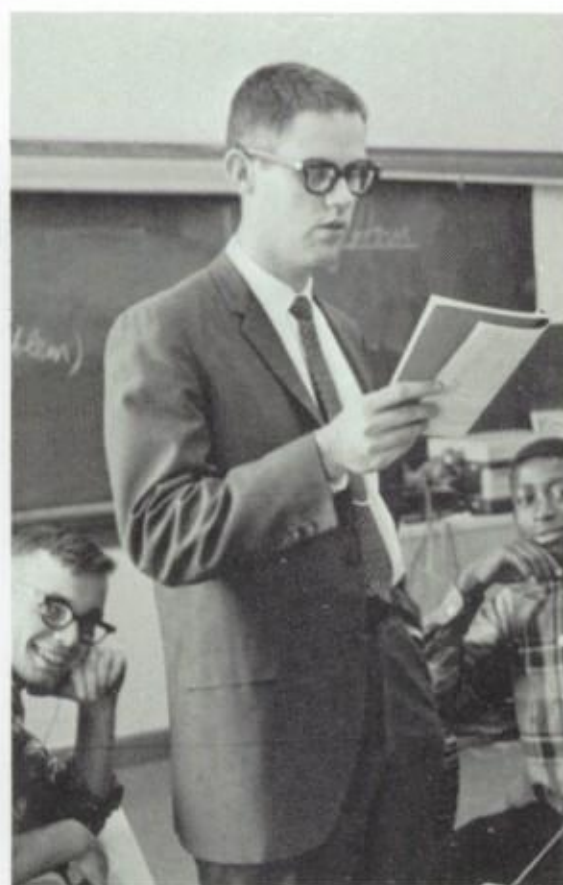

His crowning achievement, of course, came this year with the Federal grant and his appointment as Director of the Chinese-Russian Center. For its realization and its success, he labored indefatigably.

To all this he has brought endless patience and devotion. Students gained from his understanding; adults from his eagerness to help.

His tragic untimely death left a void not easy to fill. Bereft as we are we have the memory of a man who often reached the skies as he walked and worked and talked and played among us.

Clubs Provide Opportunities To Serve DeVilbiss

Clubs are a valuable part of school life, as the members of DeVilbiss' many organizations know. They serve the school and community in various ways, and members learn to give their time and efforts to others less fortunate. This year, D.H.S. organizations donated Christmas and Thanksgiving baskets to needy families, gave birthday and holiday parties for orphans, sang for old folk's homes, and brightened the lives of many with other service projects.

Clubs also served to broaden knowledge of their members in the fields of sports, literature, public speaking, and dramatics. Literary societies attended plays, concerts, and art galleries to promote fine arts. Sports club members improved their skill in bowling, chess, and horseback riding. Speech and dramatic clubs held speech clinics and patronized school productions. Other special interest clubs furthered their knowledge of music, careers, and foreign countries.

While clubs gave members a chance to serve others and increase interests, they also provided students with opportunities to meet new people, to form lasting friendships, to talk and mature together. Organizations sponsored slumber parties, dances, and dinners. Alumnae teas gave old and new members alike a chance to get together.

School is not just an institution of education. It is a place to make new friends, to serve others, to grow. It is where clubs play an active part in determining character, leadership, and responsibility. It is these qualities of D.H.S. clubs which justify their existence and make them a valuable part of high school life.

DECA Develops Future Leaders

Distributive Education Club of America, new at DeVilbiss this year, was established to develop future leaders throughout the country in the fields of marketing and distribution. It is designed to develop a respect for education in these fields which will contribute to occupational competence and appreciation of our competitive free enterprise system.

The DeVilbiss chapter of DECA this year attended the Northwest Area Conference, the State Conference, and sent a representative to the National Conference in Chicago. In the spring, the club attended the Employer-Employee Banquet and made a field trip to Detroit.

Mike Denman was the president and the adviser was Mrs. Jean Lang.

Sharps and Flats attendance at the American Youth Conference was only one of the club's many activities this year. The members publicized the city championship game at T. U. by painting signs as well as providing refreshments for the Band during half-time. In January, Sharps and Flats gave a charity dance for Catholic children. The faculty received favors from Sharps and Flats on the birthdays of special musical composers. The president was Dee Kirk and the advisers were Mrs. Elizabeth Smith and Miss Pat Wells.

Executive Board Promotes Improved Student Government

Last summer, the DeVilbiss Student Council had the rare opportunity to be high school hosts for the Soviet Union Wrestling Team in the World Amateur Wrestling Championships held at the University of Toledo. Tads greeted the Russians at the airport, escorted them around Toledo, and learned Russian cheers to encourage them in their matches. As a result of these students' efforts, DeVilbiss was awarded a trophy by the Russian team and won first prize as the best high school host.

In other activities, Student Council endeavored to bring the constitution up to date by creating a revision committee. After advising several minor changes, the committee worked on modernizing the method of selecting representatives.

The Homecoming Dance and magazine drive, sponsored by the Student Council, were successful, netting over \$2000. Student Council also undertook repainting the stadium, a community bulletin board, and a car safety check.

The Council sent delegates to four Ohio conferences, Boys' State, and the National Association of Student Council Presidents Conference.

Throughout the year, the Executive Board tried to make student government for the whole school, not just a select group.

Ken Andryc, Assemblies, and Lisa Rothman, Publicity, prepare bulletin boards for the spring sports assembly.

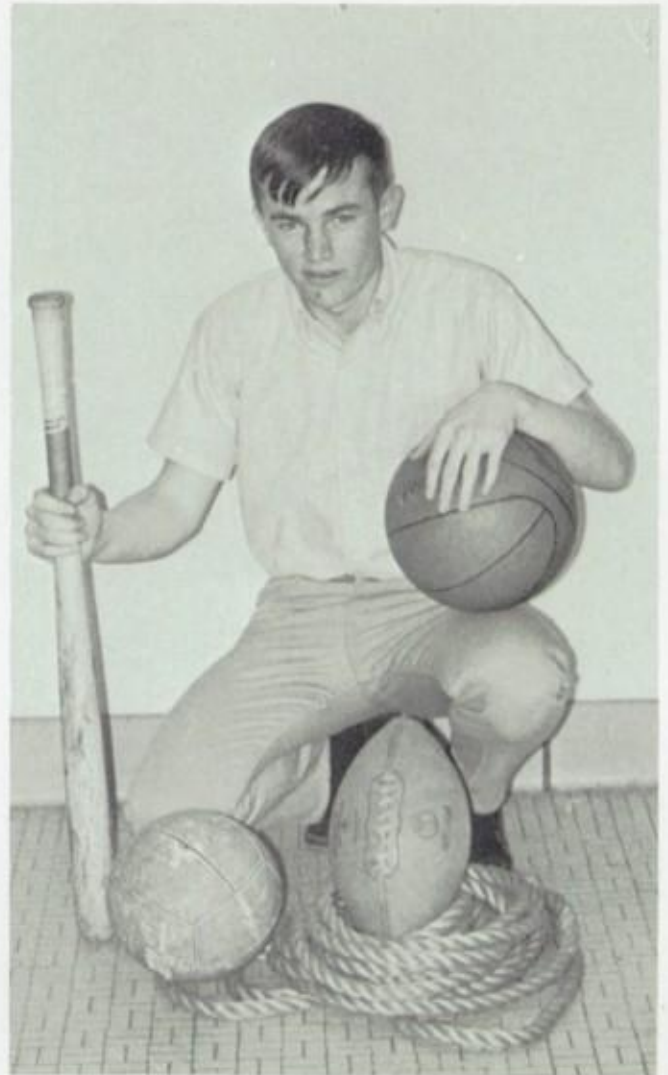

Caren Zaft, Prism, and Nancy Preis, Pot O' Gold, look over each other's products.

Fred Lang, Welfare, completes Carlton McCreery's car safety check form.

The Gunderson Family: Kris, Davis Ssekasi, Mr. Hugh Gunderson, Eric, Mrs. Gunderson, and Ingrid.

Davis brought a ndingidi, a native instrument, from Uganda.

DeVilbiss Hosts Ugandan Student

Davis Ssekasi, DeVilbiss' fourth A.F.S. student, was the first East African student to be sponsored by the American Field Service. Davis, who came from Uganda, was welcomed to Toledo by several receptions hosted by both the adult and student A.F.S. chapters. In March, the student committee gave a party for Davis and other area foreign students. With Anne Zmeskal as chairman, the committee sponsored a feature movie, held bake sales, and solicited donations from local groups to finance another student next year. Ingrid Gunderson was selected as DeVilbiss' candidate for Americans Abroad, the A.F.S. summer exchange program.

Davis and his American brother, Eric, enjoyed the senior court privileges.

DeVilbiss Leadership Guides TASC To Success

Under the leadership of Randy Snow, the first Toledo Area Student Council President from DeVilbiss, the TASC promoted the nationwide "Keep America Beautiful" program. Acting on a suggestion from the Toledo Council, the state conference held special discussion groups at its convention to help improve other Ohio councils. At the TASC workshop at Bowsheer High School, three national consultants guided area representatives.

The annual Area Student Council Dance, "A Night In Athens" was a financial success for the first time in several years. Mary Salley was DeVilbiss' charming candidate in the queen competition.

Under the leadership of Marsha Davis, the TASC Quiz Bowl was an overwhelming success.

Chris Clowery and Doug Gross, Start High School's student council president, present Mary Salley and Pam Josephson, TASC queen candidates with roses at the Start game.

Mary Salley attended the queen's tea for the Toledo Area Student Council with escort, Chris Clowery.

Ellen Kleinman and Randi Beerman, Seniors, encourage Jon Asahina, Head Photographer, to print their pictures while Marcia Odenheimer, Copy, tries to think of an interesting headline.

Pot O' Gold

With a change in Pot O' Gold rooms, the 1967 staff introduced several new yearbook techniques. New layout styles, reverse printing on the Musical and DeViltries pages, and posterization on the division pages were among these new developments. The staff continued the use of informal faculty pictures, four color printing, and pictorial ads.

Eleven staff members attended the Columbia Scholastic Press Association conference in New York, returning with new ideas and mementos to make 225 more "homey". The new darkroom was christened "The Black Hole of Calcutta" and decorated with a large poster of The Sheik.

Most importantly, a feeling of camaraderie bound the staff together and helped create the 35th Pot O' Gold.

Becky Hetsler and Ann Shoemaker, Organizations, read club copy with "O.B." while Jim Garretson, Photographer, and Jim Hart, Photo Editor, schedule an action picture.

Dee Kirk, Freshmen, Sue Winkler, Sophomore, and Mary Taylor, Junior, sorted piles of underclass pictures after a mix-up with the photographers.

Nancy Preis, Editor-in-Chief, and Anne Seybold, Business Manager, eagerly awaited the arrival of the mailman.

Cheering Squad Sparks Tiger Pride

The cheerleaders incited a high degree of spirit, making this year an exciting and memorable one in sports. At the pep assemblies they taught the student body new cheers and entertained with original skits. Last summer they spent a week at a cheerleading camp in Michigan learning new cheers and techniques.

The tigerettes, who are the mascots of the school, "roar" at each game. Their antics and acrobatics add to the spirit of the games. They practice hard throughout the year to achieve perfection in their performances.

DeViltries '67

Mimes Vaudeville

The 1967 DeViltries, "Give My Regards to Vaudeville", concerns the days when vaudeville was America's chief form of entertainment. Wilbur and Oscar Hartbyrne (Jim Keller and Randy Snow) are confronted with the dilemma of having their brother Sam (Craig Burkhardt), leave their act, one of the top vaudeville acts in the country. Sam is leaving for Chicago to marry Lulu (Kathy Hyams) and work for her brother, Big Louie (Bill Delameter).

Wilbur and Oscar are tossed about by various theatrical managers (Eric Steinberg and Joe Hughes) and agents (Bob Fishell and Steve Daugherty). In their search for work and their consequent loss of self-esteem, they meet Angela Snarth, a little girl attempting stage fame (Gwyn Gross) and her overbearing mother (Mary Faye Grange).

Wilbur and Oscar reach the depths of despair when they finally consent to work as stage hands in the theater where they were once the stars. In the conclusion, the three brothers are reunited, with an added attraction, Lulu.

Debbie Oviatt, General Chairman; Mr. Harold Feltner, Adviser; and Phil Magnuson, Student Director, discuss stage props.

Orchestra Wins First Place in Contest

Despite their 7:30 a.m. class, the orchestra displayed spirit and enthusiasm throughout the year. Under Mr. Perrine's direction, they attained goals never achieved by any previous DeVilbiss orchestra.

In November, the orchestra won first place in competition with other Toledo area orchestras. In December they promoted the holiday spirit with a Christmas concert for the student body. Contests, P.T.A. performances, and a candle sale were some of the activities planned during the year.

The musical talent of D.H.S. students was responsible for the success of the orchestra. Seven members attended Regional Orchestra at Lima, Ohio in November. Of the seven, Chuck Foster, Kim Lohr, Phil Magnuson, and Carlton McCreery made All-State Orchestra. Three of the students were Toledo Orchestra scholarship winners, and two were soloists in Toledo Youth Orchestra Concerts.

Band director Mr. Jack Tongring listens to a rehearsal for a concert.

Band Entertains With Concerts, Halftime Shows

During the football season, the band journeyed to Garfield Heights for a DeVilbiss game, and to Ann Arbor for a Big-Ten game.

In March and in May, the band presented the annual Mid-Winter and Spring band concerts, performing excerpts from musicals, standard marches, novelties, and special selections prepared for contest competition.

At the state contest in Bowling Green, seven Tads won honors. Rich Earley, trombone, Nancy Byers, flute, Dee Kirk, piccolo, and Brian Straub, snare drum, received high ratings. A brass quartet, composed of Dave Jex, Dave Vandegriff, Richard Earley, and Ken Sanders also scored well in the competition.

Band members practice a new arrangement for an upcoming concert.

Beginning with participation in a stimulating concert at Start High School, and ending with prospects for a European tour in 1968, the chorus had an exciting year. The "American Youth Performs" concert, held in November, involved choruses from all the Toledo schools. A Christmas Eve telecast, caroling at Lamson's, and a performance for the Lion's Club highlighted activities at Christmastime. The chorus gave a Midwinter concert in February, a Spring concert in May, and sang at Baccalaureate. Other performances were at the West Toledo Kiwanis Club, West Toledo Exchange Club, and the High "12" Club. The chorus had several car washes, a spaghetti dinner, and a rummage sale to raise funds for the European tour expected to take place during the summer of 1968. The Choir parents organized into teams to solicit businesses in West Toledo for donations for the trip.

Honor Groups Achieve Purpose of Service

In December, National Honor Society inducted twenty-two new members, raising its total membership to sixty-six. In keeping with its purpose of service, the Honor Society donated toys and games to needy families for Christmas. To make giving of themselves more than just a Christmas endeavor, several members "adopted" underprivileged children from a housing project. Honor Society members took the children to lunch, to concerts,

and to the Art Museum. The seniors attempted to build personal relationships with the children which would have lasting effects and which would motivate them to achieve the American dream.

Dave Zucker, president, hoped that the project would be continued after the May induction of ten per cent of the junior class and would become a permanent program.

TADS Learn Responsibility Through Service

There are many who serve DeVilbiss and help make it an organized school. The nurse's aids record the names of the students who are ill, take temperatures, and apply bandages. The office assistants answer the telephone, deliver deans' summonses and attendance sheets. The stage crew is responsible for the many technical aspects of the assemblies and productions. The library aids shelve books and check them out. Together, the girls work in the athletic office and the stationer's store selling tickets and school supplies throughout the year.

CONGRATULATIONS

to the new graduates

As parents, neighbors, and friends
we naturally have a special interest in
the quality of our schools.

No community is better than its schools,
and no school is better than
the determination and willingness
of a community to support
standards high enough and broad enough
to meet tomorrow's levels of need,
both vocationally and for citizenship.
